'SOLUTIONS TO PLASTIC POLLUTION'

Environment Day Celebration: Opening at G.P. International School

This year's theme for World Environment Day will focus on 'Solutions to Plastic Pollution' under the campaign **#BeatPlasticPollution**, encouraging worldwide activism.

Environment Day Celebration: Rally to Sarbari More to spreading awareness to protect the Environment

Planting a sapling, holding placards, shouting slogans, going on a rally – all of this is definitely something but not everything.

Environment Day Celebration: Plantation Program at G.P. International School

Invest in plants & enliven our future generations.

Live green,
Breathe green, Go green

Think green,
Act green,
Live green

Environment Day Celebration: Closing Speech for the students to inspire them towards Environment

The major goal of the annual event is to raise awareness of the value of the resources on our planet and the need to protect them.

A good and healthy environment is crucial for human survival. It provides us with the water we drink, the food we eat, and the air we breathe. Along with providing us with a place to live, it also aids with weather control.

The World Environment Day serves as a reminder to protect the environment and build up our world. It sheds light on the factors that harm our environment most. For instance, businesses and businesses contribute significantly to pollution.

A good and healthy environment is crucial for human survival. It provides us with the water we drink, the food we eat, and the air we breathe. Along with providing us with a place to live, it also aids with weather control.

Environment Day Celebration: Our Environment Team

#Beat

- If you can not RECYCLE or REUSE, then quickly REFUSE.
- Help the Earth rejuvenate; Say No to Plastics.
- Without plastic, all are fantastic, and you are majestic.
- Without plastics, the world is a beautiful place to live in; do your bit and say no to toxic products.
- We are together, bound in a life cycle, help save the marine life from plastics.
